

# The Island Capsule

PEI College of Pharmacists

12/18/2015

Edition 1, Volume 23

## Website and Database Work

The PEI College of Pharmacists has received funding under the Foreign Qualifications Recognition office to complete additional work on the College database and member portal. The database and website were launched in 2012 and have not undergone significant changes since their implementation. Changes that will increase efficiencies in the registration and renewal process include: movement towards online applications, online renewals for Extended Practice Certifications, online student renewals, and document uploading capabilities. The PEI College of Pharmacists will also complete work to ensure the College website is mobile adaptive which will make it easier to view the webpage on mobile devices. The PEI College of Pharmacists asks for your patience during the project as the access and speed of download may be reduced. The project will be completed by the end of February.

### MISSION

*Regulating the practice of pharmacy in the province so as to promote a high standard and safeguard the welfare of the public with regard to pharmaceutical service.*

## Happy Holidays

Happy Holidays from the Council and Staff of the PEI College of Pharmacists. We hope your holidays will be filled with joy and laughter through the New Year.
