Pharmacy Student Unstructured Time Service

Summer is winding down and pharmacy students will be finishing up their summer employment and heading back to school in a few weeks. The College of Pharmacists would like to remind pharmacy students to complete the Unstructured Time Service form located in the member area of the website. Students will complete their section of the form and submit. Their registered preceptors will receive a link by email to complete the preceptor portion of the form. This form is completed to register any unstructured time service completed as a registered student on PEI. Students should register all unstructured time service even if they have reached the requirements for PEI as other provinces may require additional hours should a student decide to register as a pharmacist in that province.

MISSION

Regulating the practice of pharmacy in the province so as to promote a high standard and safeguard the welfare of the public with regard to pharmaceutical service.

Save the Date

The PEI College of Pharmacists, in partnership with the Ontario College of Pharmacists, will be holding an education event on September 16, 2016. More details to come.

College Elects New Council Member

The PEI College of Pharmacists would like to announce that the recent election results have been tabulated. The Council wishes to congratulate David McLeod as the newly elected pharmacist member. David has previous experience on the PEI Pharmacy Board as well as on provincial and national pharmacy committees. David will bring a wealth of experience and knowledge to Council.

Council Seeking Nominations for second vacant position

The Council of the PEI College of Pharmacists will have a second vacant council position for a pharmacist effective October 1, 2016. Pharmacists interested in putting their name forward for nomination must complete the Council Nomination Form and forward the PEI College of Pharmacists office by September 2, 2016
