Continuing Education Reminder

Pharmacists in the Part A register and pharmacy technicians are reminded that their annual Professional Development Logs must be completed in the member portal with a minimum of 20 CEUs by February 28, 2017. Members will not be permitted to carry over CEUs to the 2017/2018 year. The carry over permitted in 2016/2017 was for the one time only to account for the College making the change to the CE year.

New registrants, with the exception of transfers from other provinces, are exempt from the CE requirement in the first year after initial registration

MISSION

Regulating the practice of pharmacy in the province so as to promote a high standard and safeguard the welfare of the public with regard to pharmaceutical service.

Permit Renewal

Each year, pharmacy permits must be renewed with the PEI College of Pharmacists by March 15. It is the responsibility of the pharmacy manager to complete the online permit renewal. The permit renewal can be completed in the member area PEI College of Pharmacists website. However, the username and password to access the member area of the pharmacy is different from the manager's personal profile. The College office sent an email on February 23, 2017 to all pharmacy managers containing their username and passwords to access the member area for their pharmacy. Should there be any issues in renewing a pharmacy permit, please contact the PEI College of Pharmacists office at 902-628-3561 ext 1.

Registration Renewals- Portal now open
